

# Start Saving on Your Very Next Prescription

**Drug Discount Card.** Accepted at most chain pharmacies, supermarkets with pharmacies and other pharmacies. To get a list of all participating pharmacies, or get additional cards, visit [www.familywize.com](http://www.familywize.com)

## EASY TO USE:

- Simply present this card and prescription to a participating pharmacy to obtain the discounted price.
- All family members living in your household may use this card.
- Pricing is always the lesser of the discount rate or pharmacy's retail price. If the pharmacy's price is less, there is no discount.
- Cannot be used with other prescription cards. Discounts are available only at participating pharmacies. All benefits are subject to change without notice. Some restrictions apply.
- Refer to website for complete details.
