

UNITED WAY

Volunteer Opportunities

At United Way, we are always striving to expand our programs, develop new initiatives, and adapt quickly to necessary changes in order to serve our community better. This means that we are in need of helping hands in order to maintain the work we do and meet increasing requests. Stay up to date with volunteer opportunities at volunteer.ymvunitedway.org/ or scan the QR code on the back.

We want our SA6 students to know we are there to support them inside and outside of the classroom. **By becoming a mentor, you will change a student's life.** Young adults who face an opportunity gap but have a mentor are **55% more likely to enroll in college** than those who don't have a mentor. Students who meet with their mentor regularly are **52% less likely to skip school.**

Volunteer Income Tax Assistance (VITA) is an essential program at our United Way and empowers individuals by preparing their taxes free of charge so that our clients keep their **entire** return. Last year, VITA volunteers completed 2,139 returns and brought back \$1.9M to the Valley. Training is provided, so prior experience is not required. College students and retirees are welcome to apply, and volunteers can earn continuing education credits.

Women United has played a critical role in providing students and families with the necessities to be successful through United Way's education initiatives. As unexpected needs arise throughout the year, Women United is there to aid with food, clothing, and hygiene kits. Women volunteer their time and host Women's Wednesday events to ensure help is there at a moment's notice. Where there is need...women lead.

Food access remains a critical issue for our neighbors, many of whom are still unable to get out of their homes for groceries and basic necessities. Our Saturday of Caring started in partnership with the Muransky family as a response to the pandemic but continues strong today serving 460 homes on the **3rd Saturday of each month.**

CENTOFANTI VOLUNTEER RESOURCE CENTER

8133 Market Street, Boardman, OH 44512

James and Coralie Centofanti Charitable Foundation

The Centofanti Volunteer Resource Center has two main spaces – a warehouse space named after Father Tim O’Neill’s The Difference Makers to carry on his legacy of feeding the underserved. The building also provides office space and workspaces for volunteers to gather to work on various projects that will be taken to the Success After 6 schools or with Saturday of Caring prep, which takes place on the day of the deliveries.

The Centofanti Volunteer Resource Center provides more opportunities for volunteers to help throughout the week. You can volunteer as an individual or as a group through your workplace, school, club, sports team, etc.

The Centofanti Volunteer Resource Center is open Monday-Friday.

Call 330.746.8494 with any questions or for more information on volunteer opportunities
